Subodh,

I saw your email to the Court with respect to resolving the matter. In connection with this, I want to remind you of your ethical duties.

Mike will not agree to any resolution of the civil matter, where the disposition of a criminal matter is discussed and/or negotiated. How Mike proceeds as special prosecutor will not be affected by resolution of any underlying civil matter. For you to even ask, violates the ethical rules.

Further, as I expressed to you in the Judge's chambers, Mike views your prior efforts to have the City Counsel replace Mike with a prosecutor, and a direction for the charges to be dismissed, as an attempt by you to obstruct justice. We would similarly view any settlement terms, along those same lines, as a criminal attempt to obstruct justice.

If you have any questions, please give me a call.

Pat
